Update on Watershed Districts Regulation amendments

WD Reg Amendment April 1 2021.pdf; WatershedDistricts\_Mar26.jpg

Sent on behalf of Andrea McLean, Manager, Watershed Districts and Programs

I am pleased to let you know that an amendment to the Watershed Districts Regulation was registered on March 26, 2021 and will come into force on April 1, 2021. A copy of the amended regulation is attached and is also available here - <a href="https://web2.gov.mb.ca/laws/regs/annual/2021/024.pdf">https://web2.gov.mb.ca/laws/regs/annual/2021/024.pdf</a>.

Budget 2020 allocated additional provincial funding to The Watershed Districts Program including funding to expand two watershed districts to three new municipal partners. During the fall of 2020, the department, watershed districts and municipalities worked together to develop proposals to outline the expansions. The amended Watershed Districts Regulation formalizes the expansion of the Assiniboine West Watershed District to include two additional municipal members (the Rural Municipalities of Elton and Whitehead) and the Central Assiniboine Watershed District to include three new municipal members (the Rural Municipalities of Elton and Whitehead, and the Municipality of North Cypress-Langford). Please join me in welcoming these new member municipalities into the Program. I am happy to report that we now have a total of 105 municipalities as members of The Watershed Districts Program – see attached map.

In addition to these expansions, at the request of the East Interlake Watershed District Board, Agriculture and Resource Development developed a proposal to restructure subdistrict boundaries in the East Interlake Watershed District to better balance subdistrict committee representation. To formalize the proposal, a regulatory change was required. The East Interlake Watershed District now includes five subdistrict committees based on watershed boundaries.

Finally, changes were made to further refine the details of the waterways and crossings that are the responsibility of the four infrastructure districts. The amended Regulation includes updated infrastructure maps for Inter-Mountain, Northeast Red, Westlake, and Whitemud Watershed Districts.

Thank you to all of the boards, members, councils, and staff that provided valuable input over the last year.

More information and specific details to support these amendments will be shared shortly. Please don't hesitate to reach out to me or any of the Watershed Districts and Programs staff with any questions.

Sincerely,

# Andrea McLean

Date Issued: March 11, 2021 OFC 21-002

**PURPOSE:** To provide clear and consistent interpretation of the Provincial Public Health Orders as it relates to a fire departments ability to train under COVID-19 restrictions.

Fire department training is recognized as being critical to ensuring the operational readiness of a fire department and to ensure the safety of members responding to emergencies. Many different approaches to sustaining fire operations have been applied however departments still have many questions surrounding a fire departments ability to train.

The Office of the Fire Commissioner has partnered with members of the Manitoba Fire Service and the Public Health Branch in order to provide the following interpretation of the current Public Health Orders:

- Fire departments can continue to train their members within their firehall or training facility;
- Fire departments must ensure that the applicable protection measures are in place such as:
  - o Maintaining a two-metre distance between all members; and
  - The use of masks when distancing is not possible.
- Departments must not extend training to non-employees or outside personnel;
- And departments must complete and adhere to a Safe Work Procedure as required by the Workplace Safety and Health Act.

Fire departments should also consider the following best practices:

- Wash your hands or use alcohol based hand sanitizer frequently;
- Disinfect the fire hall, contents, and equipment;
- Grouping members into smaller work units & review room occupancy; and
- Interactions should be as brief as possible.

Precautions during training should be in place and updated daily and approved by the Fire Chief, Health & Safety Officer, and/or CAO. Risks and benefits are to be considered and a plan to maximize all available public health advice and personal protection measures should be in place.

# **Third Party Inspectors and Farm Buildings**

On January 15, 2021, the Manitoba government made regulatory changes to allow municipalities to engage third party building and fire inspectors as well as allow qualifying municipalities to inspect farm buildings.

The Classes of Buildings Designation Regulation, Manitoba regulation 48/2010 was repealed and replaced with the **Designated Buildings Regulation**, Manitoba regulation 4/2021. The changes within this regulation include the following:

- Qualified individuals who issue permits and conduct inspections on Part 3 buildings on behalf of a municipality are no longer required to be directly employed by a municipality or a planning district.
- Farm buildings regulated under the Manitoba Building Code are no longer designated solely to the Office of the Fire Commissioner. All current municipalities who are permitted to issue permits and conduct inspections on Part 3 buildings will now issue permits and conduct inspections for farm buildings as well.

The **Fire Safety Inspection Regulation**, Manitoba regulation 208/2014 was amended to allow local assistants to delegate their powers, duties and functions under **The Fires Prevention and Emergency Response Act**, for fire safety inspections, to an individual who is not an employee of the local authority if the individual has:

- a) Successfully completed a training program offered or recognized by the fire commissioner respecting fire safety inspections; or
- b) The equivalent training and experience necessary, as approved by the fire commissioner, to appropriately conduct fire inspection.

If you have any questions or concerns with regards to qualifying for third party Part 3 and farm building inspections, please contact the Inspection and Technical Services Division of Municipal Relations at **204-945-3373** or e-mail <a href="mailto:technicalServices@gov.mb.ca">technicalServices@gov.mb.ca</a>.

If you have any questions or concerns with regards to qualifying for third party fire inspections, please contact the Office of the Fire Commissioner at **204-945-3322** or e-mail firecomm@gov.mb.ca.

Dear Mayor, Council and Staff,

# RE: New Consulting Option - Pendennis Consulting

I need not introduce myself to you as I have worked with you for many years. However, I have recently retired after 20 years as a Water Resource Officer with the Manitoba Government. While I may have hung up my badge, I still have a lot to offer you and your ratepayers navigate the confusion of the portal, the licensing versus registration, protected wetlands and mitigation, to name just a few issues.

I am pleased to tell you that I will be offering my expertise in all things wetlands, policies, laws and regulations and the online portal system. If you have questions and need someone to get things done easily and efficiently, then please consider hiring me.

I have enclosed a pamphlet which provides more information. Better yet, consider inviting me to a council meeting in the near future for a "meet and greet" so that I can tell you more and you can ask me questions.

Thank you for your consideration,

RECENSO MAR 3 1 2021

February, 2021

### Greetings:

The Retired Teachers' Association of Manitoba (RTAM) is excited to gift your school with a copy of **Roots written and illustrated by Brie Phillips**.

Brie is a young Métis lady who has just completed her Education Training at University College of the North. Brie is now living and teaching near Saskatoon.

During her studies at UCN she completed a manuscript as a class assignment. We learned of this story through Brie being the recipient of the financial award provided for a University College of the North student by RTAM.

The author's warm and caring message speaks wisely to all cultures about the sanctity of the earth and our need to respect and care for it.

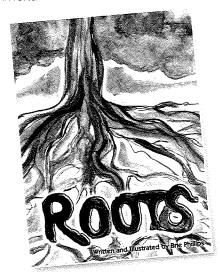

RTAM recognized the potential value of it becoming a book and through a great relationship with Brie, our award recipient, this book has been created.

The year 2020 was scheduled to celebrate 150 years of Manitoba becoming a province. However, due to COVID, celebrations were postponed to take place this year. The RTAM's goal has been to celebrate Manitoba 150 by gifting a book to every school in Manitoba. RTAM is proud to share Brie's talents in the enclosed book called Roots.

Please note that there is a teachers' resource guide at the end of the book which may provide adaptations for all grade levels when teaching about caring for our environment.

In the event that you would like to have additional copies for classroom or library use, please contact the RTAM Office at 204-889-3660 or toll free at 1-888-393-8082.

Yours in Education,
Retired Teachers' Association of Manitoba

# CHIEF ADMINISTRATIVE OFFICER'S REPORT – April 2021

#### **Covid-19 Provincial Calls**

These weekly calls continue. There is some indication that the Public Health Orders may be tightened in the upcoming week.

### **Property Matters**

There has been an increase in development related matters with seven development permits already issued and more in the works.

### **Animal By-law**

This By-law has been finalized and is on the agenda for 1st Reading.

# **Policies**

A land disposition policy has been developed for Council approval. I am currently working with the Fire Chief for an Outdoor Fire Pit and Burning Appliance policy. This will also require an amendment to the current Fire Prevention By-law.

# **Meetings with Members of Council**

Discussions continue with members of Council either in person, over the phone, or by email.

# **Meetings and Training**

The office signed up for three webinars as follows:

- February 11 On-line and in-person tactics: Navigating citizen engagement in real time
  This webinar provided some great tips on utilizing such things as video interviews for posting factual information on our social media platforms
- March 11 Writing for citizen understanding: How to design key messages that connect council and residents

This webinar covered such things as the intention of the message, audience, writing the message, monitoring for receipt and understanding.

April 8 - Navigating social media: When and how your municipality should join the conversation online

This session provided helpful hints on when and how to engage in social media, including "telling a story", sharing community events, local business giveaways and as a means to market the municipality to its residents.

# AMM Virtual Spring Convention – April 13-16

I am participating in the virtual convention.

# **Negotiations**

Negotiations with the Independent Contractor are complete. A counter offer has been proposed to the International Union of Operating Engineers. Shared positions for staff with the Municipality and Souris River Recreation Commission have commenced.

# **Council Code of Conduct**

All members of Council have completed the required Code of Conduct training.

# **Building Construction**

The Architect will be ready to release tender documents for the construction or renovation of an office building by the end of the week.

J. Swidnicki Chief Administrative Officer

# FINANCE OFFICER'S REPORT - April 2021

- I completed the six remaining final reports for grant monies received through the Community Foundations of Canada under the Emergency Community Support Fund. All reports were due by April 14.
- I spent a lot of time working on the Preliminary budget for 2021 and getting the Financial Plan complete.
- Year end work continues. Sensus auditors will be on site on April 21, 2021 for the year-end audit.
- The two Local Improvement Plans were approved by the Municipal Board. Letters were sent to affected property owners advising them of the opportunity to prepay. I have spent a lot of time answering questions about the LIP and the fibre optics.
- It has been a very busy time for Tax Certificate requests. A record number of almost 50 have been completed to date this year.
- The virtual AMM Spring Convention (formerly the Municipal Officials Seminar) was April 14 – April 16, 2021. I attended three virtual webinars: Leaders Don't Arrive, Online Reputation Management, and Cyber Liability Issues for Municipalities.
- I completed the annual 8-page MMSM Cost Monitoring Survey by the deadline of April 16, 2021. Participation in the survey is mandatory for all communities that receive municipal recycling support payments.
- We currently have two potential tax sale properties. TAXervices has been notified and the process has begun for 2021.

#### MUNICIPALITY OF OAKLAND-WAWANESA

#### BY-LAW NO. 05-2021

BEING a By-law of the Municipality of Oakland-Wawanesa for the regulation and control of animals within the Municipality to be known as the "Animal Control By-law" and to repeal Oakland By-law No. 1228/00 and Wawanesa By-law No. 471.

WHEREAS the Municipality of Oakland-Wawanesa is empowered under the Animal Care Act, the Animal Liability Act, and the Municipal Act, to regulate the keeping of animals, including dogs and cats and other animals;

AND WHEREAS it is deemed expedient and in the public interest to regulate and control animals in the Municipality of Oakland-Wawanesa;

NOW THEREFORE the Council of the Municipality of Oakland-Wawanesa in regular session assembled, enacts as follows:

#### PART 1 – DEFINITIONS AND INTERPRETATION

#### 1(1) In this by-law

"aggressive animal" means an animal with a propensity, tendency, or disposition to attack without provocation other domestic animals or persons;

"animal" means any animal that is kept in domestication or captivity

"animal control officer" means the person appointed by Council to enforce the provisions of the by-law, and includes any person acting as an assistant to, or under the direction of, the Animal Control Officer authorized by the Council:

"cat" means an animal of the feline species;

"dangerous dog" means a dog that has worried, attacked, injured or killed a person, livestock or any other animal, or that is for any other reason determined to be a risk to any person, livestock or other animal, and that has been declared a dangerous dog under Part 4 of this by-law;

"dog" means an animal of the canine species;

"kennel" means any premises on which more than two (2) animals are boarded, bred, trained or cared for, in return for remuneration, or are kept for the purpose of sale. A kennel does not include a veterinary clinic, animal hospital, or animal pound;

"livestock" has the same meaning given to the term livestock in the Animal Liability Act;

"owner" means any person who owns, possesses, or harbours an animal or a person who has care, custody or control of an animal;

"pound" means any enclosure, premises or place designated by Council for the impoundment and care of an animal for the purposes of enforcing this by-law;

"poundkeeper" means the person appointed by Council to operate and maintain a pound, and to carry out the duties of the poundkeeper as set out in this by-law;

"running at large" or "run at large" means in relation to an animal, that the animal is not under the direct, continuous and effective control of a person competent to control it, or not securely confined within an enclosure or securely fastened so that it is unable to roam at will;

"settlement zone" means Carroll, Nesbitt, Wawanesa and the Brandon Hills Estates Mobile Home Park and more particularly being those areas that are classified as "RC" Rural Centre Zone, "RMH" Residential Mobile Home Zone, "RG" Residential General Zone in the Municipality's Zoning By-law approved under the Planning Act as shown on the attached Schedule "A".

1(2) The schedules attached to this by-law form part of this by-law.

# PART 2 – ESTABLISHMENT OF POUND AND APPOINTMENT OF ANIMAL CONTROL OFFICER

#### Appointment of animal control officer

2(1) The Municipality may appoint one or more persons as animal control officer(s) to carry out the enforcement of this by-law.

#### Appointment of poundkeeper

2(2) The Municipality may appoint one or more persons as poundkeeper(s) to carry out the duties of the poundkeeper(s) set out in this by-law.

#### Powers of the animal control officer and poundkeeper

- 2(3) The animal control officer and poundkeeper may take steps to administer and enforce this by-law or to remedy a contravention of this by-law, and for those purposes shall be a designated officer and have the powers of a designated officer under the Municipal Act, a by-law enforcement officer under the Municipal By-law Enforcement Act, and of an enforcement officer under the Provincial Offences Act.
- 2(4) The animal control officer and poundkeeper may enter property and buildings to carry out the administration and enforcement of this by-law including for determining what actions or measures a person must take in connection with any matter under this by-law, whether the actions or measures have been taken, to prevent the contravention of this by-law, to remedy a contravention of this by-law and to prevent a re-occurrence of a contravention.
- 2(5) The animal control officer may commence a prosecution under the Municipal Act, the Municipal By-law Enforcement Act, or the Provincial Offences Act for the purpose of enforcing a contravention of this by-law through an offence.

#### Duties of the animal control officer

- 2(6) In carrying out their powers, the animal control officer may:
  - (a) apprehend and confine at the pound, an animal running at large.
  - (b) apprehend and confine an animal listed in Schedule "B" kept or harboured by, or in the possession or control of, a person.
  - (c) apprehend an animal that has attacked or bitten another animal or person without provocation.
  - (d) make a reasonable attempt to notify the owner of every animal impounded. If the identity of the owner is known, the attempt shall be by direct contact or by leaving a notice at the last known address of the owner in a form set out in Schedule "C". Where the identity of the owner is not known, the animal control officer shall have posted in the general office(s) of the Municipality and on the social media platforms of the Municipality a notice describing the animal, the date of apprehension and the date after which the animal will be sold, destroyed or otherwise disposed of.
  - (e) enforce the provisions of this by-law.

#### Duties of the poundkeeper

- 2(7) In carrying out their powers, the poundkeeper may:
  - (a) establish and maintain the pound in a manner in keeping with the Animal Care Act.
  - (b) keep a record of every animal impounded, which record shall include the following minimum information:
    - A description in reasonable detail of the animal including approximate weight, height and color as well as the order and breed of the animal;
    - (ii) The day and hour of its impoundment;
    - (iii) The day and hour of its redemption, sale, disposition or destruction, together with the details of redemption, sale, disposition or destruction;
    - (iv) The name and address of the owner (being the person to whom the animal was sold or released);
    - (v) The amount and particulars of all fees, fines and other charges invoiced to, and received from or on behalf of, the owner and the name and address of the payor (if different from the owner); and
    - (vi) Such other particulars as the Chief Administrative Officer of the Municipality shall direct from time to time.
  - (c) collect all fees charged by the pound, and to remit all monies received by the pound to the Chief Administrative Officer of the Municipality, together with such reports and statements as the said Chief Administrative Officer may prescribe from time to time.
  - (d) keep any impounded animal for a minimum period of:
    - (i) three days, which shall include the day of impoundment but shall exclude Sundays and any statutory holidays during which the pound is closed to the public, or
    - (ii) where the Municipality has entered into a contract with a private party for the operation of the pound, the minimum hold period established under the pound keeper's contract with the Municipality.
  - (e) if, after expiration of the minimum period of impoundment set out above or in the contract with the Municipality, the animal has not been redeemed, the poundkeeper may do one of the following with the impounded animal:
    - (i) sell or otherwise dispose of the impounded animal to any person for an amount not less than the applicable pound and any other fees accrued in respect of the impounded animal as set forth in the by-law, unless such fees are otherwise waived by the Municipality or by the poundkeeper on the express authority of the Municipality; or
    - (ii) cause the impounded animal to be humanely destroyed, unless the Municipality agrees to or directs an extended period of impoundment, in which case the impounded animal will be held until the earlier of the date that it is sold or otherwise disposed or to a person in accordance with subsection (e)(i) above or until the extended period of impoundment, before it is humanely destroyed.
    - (iii) the poundkeeper may, at its sole cost and expense, keep an impounded animal for longer than the minimum impound period, and may sell or otherwise dispose of the impounded animal for an amount less than the applicable pound and any other fees provided however that the poundkeeper shall remain responsible to the Municipality for all amounts due to the Municipality under its contract with the poundkeeper.

#### PART 3: CONTROL OF DOGS AND CATS

#### No Running at Large

3(1) An owner who keeps a dog or cat must not permit or allow the animal to be elsewhere than on their property unless it is under the immediate charge and control of a responsible person. A person who keeps a dog or cat must not permit or allow the dog or cat to run at large.

#### Leashing of Dogs or Cats

3(2) An owner who keeps a dog or cat must not permit or allow the dog or cat to be on a street or other public place unless the dog or cat is under the immediate charge and control of a responsible person by means of a leash.

#### **Special Restrictions**

3(3) An owner of a female dog or cat in heat shall confine the animal to the premises of the owner or shall be housed in a licensed kennel, for the period of time the dog or cat is in heat. The confinment shall be in such a manner as to prevent contact between the dog or cat in heat and any other dog or cat, except when the owner voluntarily permits such contact.

#### Limiting the Number of Dogs or Cats in a Settlement Zone

3(4) No person in a settlement zone shall own, harbour, keep or have in their possession or control on their premises, more than two dogs and two cats over the age of 4 months.

#### Kennels

3(5) Kennels are prohibited in settlement zones and must abide by the Municipal Zoning By-law and all Provincial licensing requirements as laid out in *The Animal Care Act* for the establishment of kennels in other zones.

#### Clean Up of Excrement

- 3(6) An owner shall not:
  - (a) permit their dog or cat to defecate on property other than the property of its owner. Where a dog or cat defecates on property other than the property of its owner, the owner shall cause such excrement to be removed forthwith in a sanitary manner; or
  - (b) permit their dog or cat to defecate on their property in a manner which constitutes an environmental or health hazard or a nuisance for neighbours.

#### Noise Control

3(7) An owner shall not permit their dog or cat to bark, howl, caterwaul or in any way unduly disturb the quiet of any person.

#### Damages Done by Dogs or Cats

3(8) An owner shall not permit their dog or cat to damage public property or private property other than that of the owner. Where public or private property has been damaged by a dog or cat, its owner may be liable for damages as outlined in subsection 2(1) of the Animal Liability Act.

#### Rabies Vaccination

An owner shall ensure that their dog or cat has a current rabies vaccination that is no more than 2 years old. An owner is not required to ensure a current rabies vaccination where the owner produces, to the animal control officer's satisfaction, written confirmation from a licenced veterinarian certifying that the dog or cat cannot be vaccinated. The animal control officer may request that an owner provide proof that the dog or cat has a current rabies vaccination.

# PART 4 – BITING INCIDENTS, AGGRESSIVE ANIMALS AND DANGEROUS DOGS

#### Muzzling and Securing Aggressive Animals

- 4(1) A person who keeps an aggressive animal shall not permit or allow the animal to be on a street or other public place or on property other than the owner's property unless the animal is muzzled to prevent it from biting another animal or a person.
- 4(2) A person who keeps an aggressive animal shall, at all times, while the animal is on property owned or controlled by such person, securely confine the animal, either indoors or in an enclosed pen or other structure capable of preventing the entry of children and adequately constructed to prevent the animal from escaping or from biting another animal or person.

#### Dog or Cat Bites

- 4(3) The animal control officer:
  - (a) shall apprehend, impound and place in quarantine a dog that they have reason to believe has bitten a person; and
  - (b) may apprehend a cat that they have reason to believe has bitten a person if such action is necessary for the protection of the public;

This provision does not apply to a police service dog owned by a public law enforcement agency while on duty and under the control of a qualified dog handler.

- 4(4) If the owner does not voluntarily surrender the dog or cat to the animal control officer, the animal control officer may apprehend and impound the dog or cat and, if necessary, apply for a warrant to enter the residence of the owner for the purpose of apprehending and impounding the dog or cat.
- 4(5) A dog or cat apprehended and impounded at the pound shall be quarantined for a minimum of 10 days at the owner's expense, starting from the date of impoundment (the "quarantine period").
- 4(6) Despite section 4(5), the animal control officer may authorize the owner of the dog or cat to quarantine the dog or cat in a place other than the pound, provided that such place is under the direct supervision of a licensed veterinarian and that the dog or cat shall remain at such place at the owner's expense for the quarantine period.
- 4(7) Subject to a determination by the animal control officer pursuant to subsection 4(10) hereof that the dog or cat is not dangerous, the dog or cat may be released to the owner after expiry of the prescribed quarantine period upon payment by the owner to the poundkeeper of the costs of enforcement plus a pound fee calculated in accordance with Fee Schedule By-law No. 08-2020. If the owner does not redeem the dog or cat from the pound within three days after expiry of the quarantine period, the dog or cat may be sold, or otherwise disposed of, or destroyed at the discretion of the poundkeeper.
- 4(8) The animal control officer shall keep a record of all bite incidents, identifying the dog or cat and the details of the incident, and such record may be used in any hearing or appeal with respect to the dangerous animal provisions in this bylaw.
- 4(9) The poundkeeper shall submit to the Canadian Food Inspection Agency for rabies examination, the head of any dog or cat quarantined for biting that dies while quarantined and prior to the veterinary examination required under section 4(10).

- 4(10) Every dog or cat shall be examined by a licensed veterinarian approved by the animal control officer prior to release from quarantine. The determination as to whether or not the dog or cat can be released from quarantine or must be destroyed or otherwise disposed of, shall be at the discretion of the animal control officer based upon the following factors:
  - (a) the medical report of the licensed veterinarian who has examined the dog or cat;
  - (b) whether or not the public health authorities are prepared to consent to the release of the dog or cat;
  - (c) the severity of the bite incident, the circumstances surrounding the incident and the consequences of the incident;
  - (d) whether or not the dog or cat is, in the opinion of the animal control officer, a dangerous dog or cat and, if so, whether or not the provisions of section 4(23) have been complied with;
  - (e) proof that the dog or cat does not have rabies, and that the dog or cat has a current rabies vaccination at the date of the bite incident.
- 4(11) Despite section 4(5), it shall be within the discretion of the animal control officer to release a dog or cat prior to the expiry of the quarantine period and to impose conditions upon the release of a dog or cat from quarantine, which conditions may include:
  - (a) the owner taking the necessary measures to ensure that the dog or cat is confined to the owner's premises in such a manner as to prevent escapes, and to ensure that all direct contact with other animals and persons other than the owner is avoided;
  - (b) in the case of a dog, the owner posting in a conspicuous location at the entrance of the premises where the dog is confined, a sign which reads "Beware of Dangerous Dog";
  - (c) the owner submitting the dog or cat for veterinary examination from time to time as may be prescribed by the animal control officer, and shall report the results of any such veterinary examination to the animal control officer;
  - (d) in the case of a dog, the owner taking out and pay for such liability insurance on the dog as may be prescribed by the animal control officer;
  - (e) such other conditions as the animal control officer may deem necessary or advisable in the interests of public safety.

#### Determination that a dog is a dangerous dog

- 4(12) Where the animal control officer has reason to believe that a dog, including a dog that has been the subject of action taken under this section, is a dangerous dog, the animal control officer shall arrange a hearing before Council at a Council meeting to determine whether the dog should be declared a dangerous dog under this by-law. If an owner voluntarily accepts the dangerous dog declaration and the recommended disposition of the matter made by the animal control officer, a hearing before Council may be dispensed with, and the recommended disposition of the animal control officer shall have the same meaning and effect as a decision of Council under this by-law.
- 4(13) Where it is deemed necessary by the animal control officer to protect the public or other animals pending the decision of Council, the animal control officer may:

- (a) if a dog is causing an immediate risk to any person, property or any other animal, the animal control officer is authorized to apprehend and impound the dog;
- (b) require that the dog be quarantined in the pound until the earlier of the date that the animal control officer determines that it is safe to release the dog to the custody of the owner or until Council hears the matter and issues its determination; or
- (c) impose all or any of the conditions set out in section 4(23) upon the owner's custody of the dog, which conditions shall apply until the earlier of the date that the animal control officer determines that it is safe to remove the conditions or until Council hears the matter and issues its determination.
- 4(14) Council shall provide written notice of the hearing to the owner of the dog at least 10 days in advance of the hearing by serving notice upon the owner or by mailing the notice by registered mail to the last known address of the owner. The notice shall include the following information:
  - (a) the time, place and purpose of the hearing;
  - (b) a summary of the reasons in support of the allegation that the dog is dangerous;
  - (c) a copy of the sections 4(12) and 4(13) of the By-Law; and
  - (d) a statement that if the owner does not attend the hearing, the matter will be dealt with in their absence and that they will not be entitled to any further notice or appeal in regard to the proceedings concerning the dog.
- 4(15) The owner has the right to appear at the hearing, with or without counsel, and to make submissions to Council and present evidence.
- 4(16) Where the owner does not attend at the hearing, having been given notice as provided in accordance with this section 4(14), Council shall be entitled to deal with the matter in their absence, and the owner shall not be entitled to any further notice or appeal in regard to the proceedings concerning the dog. The owner shall be notified of the decision of Council by notice in writing delivered by personal service or registered mail in the manner set out in section 4(14).
- 4(17) Within five days of the hearing of Council, Council shall issue a decision in accordance with the following provisions:
  - (a) The Council shall make an order declaring the dog to be a dangerous dog if in their opinion:
    - the dog has caused injury to or killed a person, whether on public or private property; or
  - (b) the dog has seriously injured or killed any other pet animal or any livestock without provocation;
  - (c) there is a material risk that the dog may cause damage or injury to person or property or any other animal, taking the following nonexhaustive factors into account:
    - whether the dog has worried, bitten, wounded or injured any person or animal;
    - (ii) the circumstances surrounding any previous worrying, biting or wounding incidents; and

- (iii) whether the dog, when unprovoked, has shown a tendency to pursue, chase or approach in a menacing fashion, any person or any other animal upon any public or private property.
- 4(18) Council shall deliver a copy of their decision to the owner in the manner provided in subsection 4(14). There shall be no obligation upon Council to issue written reasons for their decision.
- 4(19) The decision of Council is final. There shall be no appeal from the decision of Council.
- 4(20) An owner who has received notice from Council under section 4(14) that a determination hearing will be held with respect to their dog shall ensure that the dog remains confined upon the premises of the owner pending the Council decision.
- 4(21) Section 4(20) does not apply if the dog is impounded or the animal control officer receives written confirmation from a licensed veterinarian that the dog has been placed in quarantine pending outcome of the hearing under section 4(13).

#### Consequences of dangerous dog declaration

- 4(22) Council shall determine whether the dangerous dog should be destroyed or released to the owner subject to the conditions set out in subsection 4(23).
- 4(23) An owner of a dog that has been declared to be dangerous and in respect of which Council has decided to release the dangerous dog to its owner, shall:
  - (a) cause the dangerous dog to be tattooed upon the ear with clearly identifiable information as set out by the Council and provide a copy of such information to the poundkeeper;
  - (b) ensure that the dangerous dog, while on private property, is kept either securely confined indoors or in a securely enclosed and locked pen, structure or compound which:
    - is capable of preventing the entry of young children and the escape of the dangerous dog;
    - (ii) has minimum dimensions suitable for the size of the dangerous dog, as prescribed by the animal control officer;
    - (iii) has secure sides; and
    - (iv) provides protection from the elements for the dangerous dog;
  - (c) permit the dog upon public property only if:
    - (i) it is muzzled;
    - (ii) it is restrained by a chain or leash not exceeding 1.8 meters (six feet) in length, fully extended; and
    - (iii) the dog is at all times under the effective control of a person competent to control it;
  - (d) display in a conspicuous location at each entrance to the premises upon which the dangerous dog is kept, a sign stating: WARNING: BEWARE OF DANGEROUS DOG The sign shall be posted in such a manner that it cannot be removed easily by a passersby and will be visible and capable of being read from outside of the premises;
  - (e) within three working days of selling, giving away or otherwise disposing of the dangerous dog, provide the animal control officer with the name, address and telephone number of the new owner;
  - (f) advise the animal control officer within three days of the death of the dangerous dog;

- (g) advise the animal control officer forthwith if the dangerous dog has gone missing or is running at large or has bitten, worried or attacked any person or animal;
- (h) such other conditions as may be prescribed by order of the Council, including, without limitation, any of the conditions set out in section 4(11).
- 4(24) No person shall deface or remove a sign posted under subsection 4(23)(d) or section 4(11) without having first obtained permission from the animal control officer.

#### Destruction of dangerous dog

- Where it appears that an owner has breached a condition of this by-law in respect of a dog that has been declared dangerous or if a dog has caused injury or damage to any person, property or any other animal or if the animal control officer otherwise has reason to believe that a dog presents a risk to any person, property or any other animal and such dog has been declared a dangerous dog by Council, the animal control officer may apprehend and impound the dog for the purpose of destroying it.
- 4(26) When the animal control officer impounds a dog under section 4(25) for the purpose of destruction of the dog, they shall give the owner written notice, delivered to the last known address of the owner, that the dog will be destroyed after the expiry of 10 days from the date of the notice. The owner may, during that time period, appeal the decision of the animal control officer to Council by providing notice in writing to the Chief Administrative Officer of the Municipality, in which case Council shall hold a hearing as to whether the dog should be destroyed. The hearing shall be carried out in accordance with the section 4(12) with necessary changes. The dog shall remain quarantined in the pound pending the outcome of the hearing.

#### **Aggressive Animals**

- 4(27) The animal control officer shall have authority, in consultation with a licensed veterinarian, to apprehend, impound, quarantine, release or destroy any other aggressor animal.
- 4(28) Notification of an owner of an aggressive animal shall follow a similar process for notifications related to dog or cat bites, with any necessary modification.

#### PART 5 – IMPOUNDMENT OF DOGS AND CATS

#### Seizing of Dogs or Cats

5(1) The animal control officer may seize a dog or cat related to a violation of this by-law.

#### Cat Traps

- 5(2) A person who wishes to have a cat trap placed on their property to apprehend a cat running at large, must first apply in writing to the Municipal Office.
- 5(3) The animal control officer may place the trap on the property as requested and monitor the trap on a regular basis for occupancy. The cat trap must remain in position until retrieved by the animal control officer and must not be tampered with.
- 5(4) A cat caught in a cat trap will be seized by the animal control officer and taken to the pound.

#### **Detaining Impounded Dogs or Cats**

5(5) The animal control officer may detain, for three days, a dog or cat impounded for a violation under Part 3 after the date and time of impoundment.

#### PART 6 - REGULATION OF OTHER ANIMALS

#### **Controlling Other Animals**

An owner of an animal other than a dog or cat, shall not permit or allow the animal to be elsewhere than on their property unless the animal is under the immediate charge and control of a responsible person.

#### Prohibition Against Keeping Certain Animals

6(2) A person shall not keep or have in their possession an animal listed in Schedule "B". This prohibition does not apply to a veterinary clinic, animal hospital, or animal pound.

#### Seizing Other Animals Under This By-law

6(3) The animal control officer may seize an animal, other than a dog or cat, related to a violation of this by-law and may detain the animal for three days after the date and time of impoundment.

#### Impounding, Detaining, Disposing of Other Animals

6(4) The animal control officer may impound, detain or dispose of the animal seized under section 6(3) following the process set out in sections established for dogs and cats.

#### PART 7 - REDEMPTION

#### Redeeming Dogs, Cats or Other Animals

- 7(1) At any time before the destruction or sale of a dog, cat or other animal, the owner may apply to reclaim the dog, cat or other animal and, when applying shall:
  - (a) provide proof of ownership;
  - (b) meet all vaccination or other requirements; and
  - (c) pay all outstanding charges and fees under this by-law

#### PART 9 - PENALTIES

9(1) A person who contravenes this by-law is guilty of an offence and is liable on summary conviction to a fine of not more than \$1000.00. Any costs associated with or resulting from enforcing this by-law are in addition to any such fine, and are an amount owing to the Municipality and may be collected in any manner in which a tax may be collected or enforced under the Municipal Act.

#### PART 10 - REPEAL AND ENACTMENT

- 10(1) By-Law No. 1228/00 of the Rural Municipality of Oakland be and is hereby repealed.
- 10(2) By-law No. 471 of the Village of Wawanesa be and is hereby repealed.

# **OUTDOOR FIRE PITS AND BURNING APPLIANCE POLICY**

**PURPOSE:** To ensure the safety of outdoor fire pits and approval of

location and type of all burning appliances.

**REFERENCE:** The Fire Prevention and Emergency Response Act and Fire

Prevention and Emergency Services By-law 02-2019.

**POLICY:** Residents of Carrol, Nesbitt and Wawanesa in the

Municipality of Oakland-Wawanesa shall complete the outdoor fire pit and burning appliance application form and

await inspection and approval from the Fire Chief or

designate prior to use.

#### **DEFINITIONS:**

"Acceptable Fire Pit" means an outdoor receptacle that meets the following specifications:

- a) A minimum of 1.5 metres (5 feet) clearance, measured from the nearest fire pit edge, is maintained from buildings, property lines or other combustible material:
- b) The fire pit height does not exceed 50 cm (20 inches) when measured from the surrounding grade to the top of the pit opening;
- c) The fire pit opening does not exceed 75 cm (30 inches) in width or in diameter when measured between the widest points or outside edges;
- d) The brick, stone, concrete or heavy gauge metal shall be separated from grass and any other vegetation by a distance of at least 16 cm (6 inches) by means of clean earth, sand, gravel or other non-combustible medium;
- e) Shall not be used on wooden decks or other combustible surfaces; the fire pit installation has enclosed sides made from bricks, concrete blocks, heavy gauge metal, or other non-combustible materials acceptable to the Fire Chief or designate;
- f) A spark arrestor mesh screen with openings no larger than 1.25 cm (.5 inches) and constructed of expanded metal (or equivalent non-combustible material) must be used at all times to cover the fire pit opening in a manner sufficient to contain and reduce the hazards of airborne sparks; and

g) The fire pit shall not be used to burn prohibited debris.

"Acceptable Fireplace, Stove and Chiminea" means an outdoor receptacle that meets the following specifications:

- a) A minimum of 1.5 metres (5 feet) clearance measured from the nearest fireplace, stove or chiminea edge is maintained from buildings, property lines, or other combustible material;
- b) Is constructed of materials that are heat and flame resistant;
- c) Shall not be used on wooden decks unless located 1.5 metres (5 feet) from any property line, building or other combustible structure and placed on a non-combustible surface extending 40 cm (16 inches) from the widest part of the appliance;
- d) Is equipped with a secured chimney;
- e) The chimney is equipped with a regulation screen no larger than 1.25 cm (.5 inches) and constructed of expanded metal (or equivalent non-combustible materials) and is designed to contain and reduce the hazards of airborne sparks;
- f) The base of the fire burning area is not less than .3 metres (12 inches) above the surrounding grade;
- g) The base of the fire burning appliance shall be placed upon a noncombustible surface such as earth, concrete, metal or other noncombustible materials acceptable to the Fire Chief or designate;
- h) The fire chamber does not exceed 75 cm (30 inches) in width, does not exceed 60 cm (24 inches) in height and is at least 40 cm (16 inches) but no more than 60 cm (24 inches) in depth;
- Outdoor solid fuel appliances shall be located on a flat, level and noncombustible base clear of overhangs such as roofs, tree branches and utility wires; and
- j) The fireplace, stove or chiminea shall not be used to burn prohibited debris.

"Prohibited Debris" means yard waste including leaves and grass clippings, garbage, furniture and plastics.

Applications as outlined in Schedule "A" can be obtained online at <a href="www.oakland-wawanesa.ca">www.oakland-wawanesa.ca</a> or by contacting the Municipal Office at 204-824-2666 to have an application mailed, emailed or faxed.

Applications must be completed in full and can be returned to the Municipal Office at Box 28, Nesbitt MB, R0K 1P0, emailed to <a href="mailto:adminassist@oakland-wawanesa.ca">adminassist@oakland-wawanesa.ca</a> or faxed to 204-824-2374.

Completed applications will be forwarded to the Fire Chief to arrange an inspection of the proposed site and appliance.

Final approval must be obtained from the Fire Chief prior to use of the fire pit and/or outdoor burning appliance.

Please ensure the following steps have been taken before you schedule your inspection:

- 1. The fire pit has been purchased and is set up in the desired location.
- 2. Ensure all criteria has been met regarding the construction and placement of the fire pit.
- 3. If you are renting the property, please have a letter of permission from the proper5ty owner.
- 4. Ensure any necessary surveys have been completed.
- 5. Keep a copy of the fire pit application for yourself. A copy of the permit must be available at all times upon request.

Please note, an application does not need to be renewed annually. A new application is required upon a change of property ownership or if the original application has changed.

#### **FINES**:

A person who contravenes this policy is guilty of an offence and is liable on summary conviction to a fine of not more than \$1000.00. Any costs associated with or resulting from enforcement are in addition to any such fine, and are an amount owing to the Municipality and may be collected in any manner in which a tax may be collected or enforced under the Municipal Act.

Dear Stakeholders,

On Monday, March 15, the Manitoba Government released the results of the K-12 Education Review in conjunction with the details of Bill 64, The Education Modernization Act.

The Board of Trustees of Southwest Horizon School Division has serious concerns about this bill and how it will impact education in Manitoba, and more specifically, in our region. We appreciate the recommendations made in the Education Review and believe some may hold merit in working to improve student outcomes. However, Bill 64, The Education Modernization Act ignores the recommendations and will ultimately dismantle what Southwest Horizon School Division has worked hard to create for students. The bill leads one to believe that divisions are failing their students so badly that the government must step in and take control. In fact, there is little evidence in the Review, or any other research base, to back up the drastic changes proposed in Bill 64.

Bill 64 ends the moratorium on school closures which will mean the beginning of the end for our smallest communities. With the potential for school closures comes loss of teachers and jobs in general; teaching assistants, custodians, secretaries, librarians, as well as central office jobs such as finance and payroll. Many of the schools in our division are also home to daycare centres. How will that impact our youngest citizens and their working parents?

Bill 64 removes senior leadership positions and transfers their responsibilities to government-appointed directors. But moving the decision making and assistance for schools farther away from communities is not democracy and will not work in the best interest of our children and the communities we are trying to build and sustain.

Our local Board is the best voice we have for our children and their education. We are your locally elected representatives whose job it is to make the best possible decisions for your children's education. Furthermore, we need the professional leadership and recommendations from local directors to work with our Boards and schools. Why? Because we believe education is best left to educators - not politicians.

We invite you to join the discussion on Bill 64 and the K-12 Education Review at a Virtual Town Hall, Wednesday, April 7 at 7:00 p.m. at <a href="https://shmb.zoom.us/j/99620848612">https://shmb.zoom.us/j/99620848612</a>

Help us amplify our voice and let our government know that we need to be heard.

Sincerely,

Cheryl Rushing, Chair

Southwest Horizon School Division

Subject: RE: Leak Detector

I like the concept of sharing specialized equipment, maybe this should evolve into more in-depth discussions with these municipalities to form a coalition group that would purchase and share this specialized equipment for water distribution and sewer distribution systems.

There would need to be some sort of agreement in place regardless. I'm just thinking in terms of we pick it up to use it and its broken or not working, then who would be responsible for the cost to get it repaired? Training? Insurance?

Just a thought...

Subject: Leak Detector

We purchased the Leak Detector from Echologics recently to deal with the Elgin water leaks. The equipment was expensive, about \$30,000. We plan on using it this summer to locate leaks that are not showing as yet and fix them before winter when it costs more. I understand some of you hire a company to come and do this in the summer now.

Council was wondering if any municipalities would be willing to share the cost of this equipment and use it as well. The City of Brandon just purchased one of these and I think Winkler.

Please see attached documents.

# The Municipality of Oakland-Wawanesa Policy & Procedure Manual

Policy # PR001

Reference: Property	Classification: Policy
Subject: Land Disposition Policy	Pages: 4
Authority: Resolution of Council	Effective Date: April 20, 2021
Approved: April 20, 2021	

### Purpose:

The purpose of this policy is to establish policies and procedures to be followed in the disposition of Municipally owned Real Property.

### **Definitions:**

"administration" means the Chief Administrative Officer of the Municipality or designate.

"as is" means without regard for state of repair, location of any and all structures, walls, retaining walls or fences (freestanding or otherwise) or encroachment by buildings or fences or otherwise, on the land or adjoining properties or streets, and without warranty or representation as to use, environmental contamination, hazards or risks.

"civic lands" means lands used by the Municipality for such things as office facilities; operational facilities and grounds; recreational facilities, grounds and parks; drainage ditches, ponds, dikes, infrastructure and fibre corridors; and reserve lands.

"developable lands" means land that is capable of sustaining development and complies with existing development parameters.

"Municipality" means the Municipality of Oakland-Wawanesa and administration acting on its behalf.p

"non-developable lands" means land which would, in the opinion of the Administration, be of limited interest to potential purchasers due to size, shape, location, topography, environmental condition, land use restrictions, or any other factor, however may be of interest to adjoining property owners.

"public reserve lands" means land used only for a public park, public recreation area, natural area, planted buffer strip separating incompatible land uses or public works.

"reserved lands" means land which the Municipality intends to develop or use for its future civic purposes and is not available for sale.

"surplus" means land which the Municipality does not have a future need for its use and would be of interest to potential purchasers in the open market due to size, shape, location, topography, environmental condition, permitted land uses or any other factor.

### Inventory of Land

The Administration shall maintain an inventory of all municipally owned lands which includes an indication of its development status. The development status shall be indicated in two categories: Civic Lands (fully developed, partially developed and reserved); and Surplus Lands (developable lands, and non-developable lands).

The Administration shall present to Council, at an in-camera meeting, an inventory of lands and development status every two years for approval. Prior to submission, the Administration will evaluate the lands with the following criteria:

- size of the lands
- existing structure
- the value and marketability of the lands
- availability of infrastructure such as water, sewer, hydro etc.
- development challenges such as zoning, lot shape, drainage, elevation, easements, encumbrances, potential of flooding etc.
- regulation restrictions such as Manitoba Highways, heritage status, environmental regulations

Council may direct the Administration to have a formal appraisal conducted on any lands prior to offering the lands for sale.

### Procedures for the Disposal of Surplus Lands

### General Provisions

All Surplus Lands shall be disposed of with the best interest of the Municipality in mind.

All sales of Surplus Lands shall be on an "as is/where is" basis and all development related costs are the responsibility of the purchaser.

All sales are subject to the addition of the Goods & Service Tax. The Land Transfer Tax, if applicable, is additional to all costs noted in this policy, which will be charged by the Property Registry upon registration of the Transfer of Land and is the full responsibility of the purchaser.

The minimum frontage for lot development shall be 50' unless otherwise determined by Council.

### **Developable Lands**

Every two years, the Administration will proceed with a call for proposal for the sale and development of all Developable Lands.

The proposal shall include conceptual plans or sufficient details illustrating the proposed development, use and/or improvements to the property for review by the Administration.

The Administration shall summarize the proposals received and provide a recommendation to Council for decision.

Unless purchased for additional yard space, all purchasers of Developable Lands shall be subject, under an Offer to Purchase Agreement to be registered on the lands, to a two-year deadline from the date of possession to apply for a development permit and where necessary, a building permit, and proceed promptly with construction in accordance with applicable by-laws, unless an extension from Council to extend the time period is granted prior to the expiration of the two-year period.

The purchaser shall provide the Municipality with a registerable transfer of land, which would allow the land to revert back to the Municipality, should the purchaser fail to apply for and be in receipt of the required development permit and where necessary, a building permit, at the expiration of the two-year period, unless an extension from Council to extend the time period is granted prior to the expiration of the two-year period.

Should no proposal be received, a list of available lands will be posted on the Municipality's website and offers will be received on a first-come first-serve basis.

### Non-Developable Lands

The disposal of Non-Developable Lands shall be only to adjoining property owners. The Administration shall notify, in writing, the adjacent owners(s) of the lands be available for sale.

Should only one adjoining property owner be interested in purchasing the lands, the Administration shall finalize the sale.

Should two adjoining property owners be interested in the lands, a general rule shall be to subdivide the lands equally, with all costs associated with the subdivision the full responsibility of the adjoining property owners.

Should two adjoining property owners be interested in the lands as a whole, they shall each submit a proposal to the Administration for review. Administration will evaluate the proposals and intended use of the lands, including compliance with existing development parameters and prepare a report summarizing the proposals received for Council decision.

### Public Reserve Lands

The Municipality will not normally dispose of public reserve lands. In those rare instances where it is in the best interest of the Municipality to dispose of reserve lands, the disposal shall be in accordance with *The Planning Act*.

### Public Rights-of Way, Streets, Lanes and Walkways

In the instance where it is in the best interest of the Municipality to dispose of a public right-of-way, street, lane or walkway, the disposal shall be in accordance with *The Municipal Act*.

If Council is in agreement with the disposal, all costs associated with the required closure for said disposal shall be paid upfront by the Municipality and reclaimed through the sale.

### OFFER TO PURCHASE AGREEMENT

/we
(Full and complete legal name(s) as they will appear on Land Transfer)
(Hereinafter called "the Purchaser")
Of
(Address)
Do offer and make application to the Municipality of Oakland-Wawanesa, (hereinafter called "the Municipality", to purchase the following land:
LotsBlockPlanBLTO (if applicable)
AND/OR
Section Township Range (hereinafter called "the land")
for the sum of (not including certain additional deposits as specified later in the body of this agreement)
for the purpose of

- 1. The Purchaser agrees that the acceptance by the Municipality of the payment of the purchase price or part thereof shall not of itself constitute acceptance of this offer. Said offer is subject to acceptance and ratification by Council resolution approving sale of the land. If the offer is not accepted by the Municipality the Purchaser shall be refunded the moneys paid to the Municipality less any amounts to which the Municipality may be entitled pursuant to any provisions contained in this agreement.
- 2. The Purchaser agrees that when the Purchaser is advised by letter from the Municipality that this offer has been accepted, the Purchaser will pay the above mentioned sum within sixty (60) days from the date on said letter prior to a land transfer being issued by the Municipality.
- 3. The purchaser agrees that the date of purchase shall be deemed to be the date of passing of a resolution by Council approving the land transfer.

In the event that the Purchaser is allowed by the Municipality to occupy or to enter into and upon the land for any reason prior to title to the land being transferred to the Purchaser, the Purchaser will and does hereby indemnify and save harmless the Municipality from and against all liabilities, damages, costs, claims, suits or actions as a result of injury or death or property damage occurring at any time to the Purchaser or to any member of the Purchaser's family or to any invitee, licensee, agent or employee of the purchaser while in or about the land.

- 4. The Purchaser agrees to construct a dwelling on the land within two years of the date of purchase of said land in accordance with Schedule "A" attached hereto and forming part of this Agreement, unless an extension from Council to extend the time period is granted prior to the expiration of the two-year period. Said dwelling shall conform to the provisions of the Municipality's Zoning By-law and all amendments thereto. The Purchaser further agrees to make application for a Development Permit and if necessary, a Building Permit prior to commencement of any construction upon the land.
- 5. Subject to Clause 12, the Purchaser agrees that if the dwelling mentioned in Section 4 is not substantially completed as defined in *The Builders Liens Act*, in the opinion of the Municipality, within two years from the date of purchase of the land, this offer and the acceptance and agreement constituted thereby may be cancelled by the Municipality and the Purchaser agrees to provide forthwith on demand by the Municipality, a registerable transfer of land vesting title to the land in the name of the Municipality. Immediately upon receipt of said transfer of land the Municipality agrees to refund to the Purchaser the purchase price of the land less applicable property taxes on the land and less five hundred dollars (\$500.00) non-refundable deposit or five (5) percent of the purchase price of the land whichever is greater.
- 6. The Purchaser agrees that the Purchaser shall, at the Purchaser's expense, obtain all necessary legal surveys including pinning of lots to ensure the proper location of the land prior to commencement of construction. The Purchaser also agrees to provide the Municipality with a certified copy of a surveyor's certificate showing the location of all buildings located on the land, upon completion of construction.
- 7. The Purchaser agrees that the Purchaser shall, at the Purchaser's expense, obtain all necessary legal surveys including pinning of lots to ensure the proper location of the land prior to commencement of construction. The Purchaser also agrees to provide the Municipality with a certified copy of a surveyor's certificate showing the location of all buildings located on the land, upon completion of construction.
- 8. The Purchaser agrees to install sewer services to the dwelling located upon the land in accordance with Manitoba Conservation regulations and provide the Municipality with a copy of the approved application issued by the Manitoba Conservation.

9.	The Purchaser hereby directs and authorizes the Municipality to forward all documents to vest title to the land in the name of the Purchaser to:
	(Name of Solicitor and Firm)
	(Complete address of Firm including postal code)
10.	Subject to Section 12, the Purchaser agrees that the land shall not be sold by the Purchaser prior to completion of construction of the dwelling mentioned in Section 4. The Purchaser further agrees that if any attempt is made to sell, or offer for sale, the land, prior to completion of construction of said dwelling to the Municipality's satisfaction the Municipality shall have the right to cancel this agreement and to demand from the Purchaser a transfer of land vesting title to the land in the name of the Municipality and the Purchaser shall forthwith comply with said demand by the Municipality.
11.	The Purchaser herewith deposits with the Municipality the sum of \$500.00. Said deposit shall be retained by the Municipality if for any reason this application and offer to purchase land is cancelled.
12.	It is agreed that in the event of failure of the Purchaser to sell his existing principle residence and upon the Purchaser providing proof to the Municipality that all reasonable efforts were made to do so, or in the event of other extenuating circumstance beyond the Purchaser's control which, in the sole opinion of the Municipality, is likely to have prevented construction pursuant to the time period contained herein, the Municipality may, at the sole discretion of the Municipality, review a request for an extension of time limits for construction.

Joni Swidnicki , Chief Administrative Officer Elaine McGregor, Finance Officer Council Members Municipality of Oakland-Wawanesa

Dear Joni Swidnicki and Council,

Box 28, Nesbitt, Manitoba ROK 1PO

**RE: WAWANESA Fibre Optic Installation Project** 

Roll Number: 0221200,000

**Property Description: 1 2091** 

On March 26<sup>th</sup>, the Oakland-Wawanesa Municipality sent us a payment request for the upcoming Rural Fibre Optic Installation Project in Oakland-Wawanesa in the amount of \$380.95. We are writing to **object to this payment amount** as we have been incorrectly assigned to the Rural Project. The above property is designated as being a part of the Village of Wawanesa and our **town address** is 122 Seventh Street S.

Early in January, we received your letter with the heading "Public Notice; Local Improvement By-Law No. 02-2021; Installation of Fibre Optics in Wawanesa" by mail. In that letter. Our property 22120, was listed as **exempt** as it could not access the service. We read that notice and thought no further action was needed on our part. Also, we noted that the rate for vacant lots was \$41.95. There are no buildings on 22120, which means it is a vacant lot within the town limits.

Upon receiving the payment request on March 26<sup>th</sup>, we called your office and spoke to Joni Swidnicki and Elaine McGregor and were told that we **should have** received a letter regarding the Public Notice for the Rural Installation project which outlined the upcoming public hearing on January28th at Carroll Hall. We **did not** receive that letter in the mail, or we would have attended that Public hearing to voice our concerns. Elaine McGregor , forwarded us a copy of that letter to our email on April 12<sup>th</sup> which is the first information we received about the public hearing.

We understand that we did **not get the Rural notice** because we typically **never** do receive the correspondence for the Rural properties and neither did the other property owners within the Village of Wawanesa. The only Public Notice for the Village of Wawanesa, (which we received) listed our property as exempt from the special levy. We expected that was the end of it.

If the Oakland-Wawanesa Municipality decided to arbitrarily switch our designation to Rural, they should have **notified us** of the change. We see that several rural properties have requested to be switched to agriculture designation (Class 30) and are now exempt from the special levy.

So instead of being either exempt through the Village (as per Public Notice letter re Jan.26th public hearing) or classed as a vacant village property at \$41.95...... or vacant agricultural land, we are now expected to pay **9 times** the rate of our designated classification! (Vacant lot - Village of Wawanesa).

We do not believe the Municipality has the right to switch our property designation at will, depending on the circumstance and feel this is discrimination. The RM should have notified us of these arbitrary decisions and provided the basis behind these changes. We strongly disagree with the way this matter has been dealt with and request that this matter be revisited at the council meeting on Tuesday, April 20<sup>th</sup>.

Thank you for your consideration in hearing our concerns. We look forward to hearing from you further regarding this matter.

Kent and Lori Patterson
