Western District Meeting June 17th

Hello! Rhonda Coupland here! Just dropping you a quick note to ask for your support as I run for Western District Director on June 17th. I have a strong voice and with the strong executive, AMM continues to make headway on many issues. Their attendance at many decision making tables shows the respect Government has for our organization. Since we must do this all virtual again, I thought I would reach out to each of you. The best part of our job is meeting with you all on municipal visits to discuss successes and challenges you face. I would prefer in person chats and look forward to a time when we can do that at Convention, meetings, MOS and our Western Caucus which I feel in invaluable.

If you have any questions, do not hesitate to email, call or text me. Thank you for your time.

Stay Safe!

How you helped the most vulnerable during the pandemic

This month marks one year since we launched the COVID-19 Community Response Fund for Vulnerable Populations. Thanks to a \$10-million donation from the CMA Foundation, we were able to directly fund municipalities' initiatives to support vulnerable populations struggling with the impacts of the pandemic. This

unique collaboration provided additional health services, sanitation facilities, shelters, food packages and more. We salute all involved in delivering these vital services.

FORWARD: FCM's first virtual Conference a success

Nearly a thousand local leaders from across Canada gathered online last week for *FORWARD:* FCM's 2021 Annual Conference and Trade Show. They engaged in panel discussions, a virtual trade show and workshops sharing tools to promote our post-COVID recovery. Throughout the five-day event, delegates also met with national party leaders—including Prime Minister Justin Trudeau, Official Opposition leader Erin O'Toole, NDP leader Jagmeet Singh and Green Party leader Annamie Paul.

This was also a week for important decisions. Members passed resolutions calling for national action on four emerging issues: supporting inter-community passenger bus service; strengthening hate speech laws; funding rural homelessness initiatives; and protecting 9-1-1 services. Members also elected their 2021-22 FCM Board of Directors and Table Officers—acclaiming Strathroy-Cardoc Mayor Joanne Vanderheyden as FCM's next President. *Congratulations President Vanderheyden!*

Mr. Adriaansen.

This letter is in response to Portal communication received May 18, 2021, where, on your behalf, Steve Saunderson requested an extension to your Groundwater Exploration Permit that expired on October 22, 2020. Currently, surface water licence 2019-102 provides water to 13-8-17 W from the Assiniboine River. Please note that should a groundwater supply be developed, the groundwater allocation must be licenced as its own project and may not be combined with surface water irrigation.

MGRA 2021 Judging Competition - Nomination letter and forms ListofRMSbyDistricts2021.xls; districtmap.pdf; Rural nom ltr 2021.doc

Importance: High

Good afternoon,

Subject:

Attachments:

Unfortunately, we are still in restrictions from Covid but I hope by summer we will be able to hold a meeting and have judges out in our beautiful province! I hope you and your families are staying safe and are healthy!

- 1) Letters and emails have been sent for the return of last years plaques to KEYSTONE SPORTS IN PORTAGE LA PRAIRIE. The address and hours are in the email. If you have not sent your award/s back to Keystone Sports in Portage la Prairie please do so.
- 2) **If you have not paid your membership fees for 2021, please forward a cheque so I know who to include in the competition. ** If you do not wish to renew your membership please email the office to let me know.**
- 3) The 2021 Judging Competition is now in the planning. I have attached the nomination forms along with a district map and the list of members by district for clarification. The deadline for nominations is June 18, 2021.

Please bring forth this nomination letter to the next council meeting and put it on the agenda so it can be reviewed by all council members in hopes that each municipality can submit an entry in each category to ensure this year's competition is a success!

It was noted that the public works employees are on the roads everyday and that they could be involved in the nomination process. If you think you do not have anyone to nominate, please contact your public works department because they may know of a worthy entry. The more entries we have, the more successful our competition!

It was also noted that if you have a website, you could promote this competition and have your homeowners submit their yard to the RM if they would like to be nominated. All nominations must be approved by the RM and one entry per category can then be submitted by the office.

Please contact the homeowners prior to sending in your nomination to ensure they wish to be entered. Once you are notified by the MGRA office, please contact the homeowners you entered to let them know the judging time frame.

If homeowners are concerned about the possible transmission of the virus, please let them know that judges will be taking precautions for social distancing and using hand sanitizer.Homeowners do not need to be home when the judges view the porperty so there is no need for them to come in contact with the judges. The good thing is judges are judging the property outdoors.

If the deadline is approaching and you haven't submitted an entry but are considering an entry and may be waiting to hear back from a homeowner, please let me know. Each year I send out reminders close to the deadline because we are either short entries to have a winner or would like more entries to make a competition. If I know that RM's are considering entries but just have not sent in the paperwork, then I do not have to worry that we will have awards go unclaimed.

The MGRA Board and myself thank you in advance for your patience with my frequent emails in the coming months in order to make this competition a continued success!

If you have any questions, please feel free to contact me!

Dear Mayor, Reeve, & Councillors:

Re: 2021 Annual Competition - Manitoba Good Roads Association

Please ensure that this nomination letter is put on the agenda at the next council meeting so all of council can review and suggest nominees.

The Manitoba Good Roads Association Annual Competition is fast approaching and as a member of the association, your municipality is <u>automatically</u> entered in the road maintenance competition and the most improved system of roads competition. An entry form is attached for the other categories of road construction, best home grounds, and urban beautification. Please discuss your entries at the next council meeting and return the attached entry form (2 pages) <u>along with the maps</u> as soon as possible. The criteria for the various categories are attached for your information.

Please make every effort to submit an entry in <u>each</u> category. It is the submission of entries by municipalities that make this awards program a success and MGRA greatly appreciates your support! MGRA would like to ensure a winner in each category but if there are no entries then a category goes unclaimed!

It was noted that council may not have the time to look for entries but the grader operators could bring a suggestion to council as they are the ones on the roads every day. Please work with your public works department to find entries in each category which would ensure the competition is a success! You could also have individuals submit their names to the RM office but the nominations have to be submitted by your office and one per category.

The deadline for entries is June 18, 2021. Judging will take place during a two-three week period either in July or August. Municipalities will be notified of the judging period closer to the date. Please contact the homeowners prior to sending in your nomination to ensure they wish to be entered. Once you are notified, please contact the homeowners you entered to let them know the judging time frame. Judges will be taking precautions for social distancing and using hand sanitizer so you can inform your entrants of this in case they are concerned.

If you have any questions, please contact me at (204) 239-1035.

Sincerely,

Terra Van Dupige
